Te Rāwhiti & Te Rā Pānui February 2021

**Nau mai haere mai, nau mai hoki mai!**

Ngā mihi ki a koutou e ngā whānau o tō tātou kura, dear parents, families, and friends.

Kindergarten and school are now back to their usual cheerful hum, punctuated by the occasional violin and cello sounds that reminds us that the Class 3 String Programme has already started!

It was wonderful to start the year with our traditional pōwhiri and the Class 1 sunflower ceremony. Thank you to those of you who came to support us on that beautiful morning.

Since then, many of you have commented on the various improvements to our property – freshly painted walls inside the office, hall and several classrooms, an extension to the garden by the “Playgroup Building” (now home to the Riroriro kindergarten group) and a brand-new Class 2 play area behind their classroom. We acknowledge those

who completed this mahi during sometimes extra-long workdays during the school holidays:

- Jared and Kim Keighran (school parents and owners of *Kapiti Home Services*)
- Joshua Begg (Alumni: Year of 2014 – Aleka’s first class at Te Rā)
- Emile van der Merwe (our amazing caretaker, going so often beyond the call of duty).
- All parents from kindergarten, Class 1 and Class 2 who supported working bees in the different areas!

*Kei te mihi, kei te mihi, kei te mihi!*

Another change, less visible perhaps, is that what has always been referred to as ‘Principal Office’ is now the collaborative workspace for three of us, with Suzi in the role of kindergarten kaiārahi joining David and Kerstin in their roles as co-principals. We are really enjoying it!

And another change: this year, newsletters will be published on a Monday. We hope you enjoy this very first edition of 2021.

Nā mihi mahana, nā mātou

Kerstin & David & Suzi

### In Service Days for Teachers and Support Staff

Each year our mahi here at Te Rāwhiti and Te Rā formally begins before the children return, with a series of In-Service-Days during which kindergarten, school and support staff meet. Our focus throughout 2021 will be on **Whanaungatanga** – with all the different aspects this has for individuals, groups, us here as an organisation and for our community.

**Whaka**whanaungatanga is the process of creating connections and making links to create a sense of belonging and a sense of ‘whānau’

(family ... and more). These are connections between people, and connections between us and the land around us, and the stories of its people past and present.

Over the three days we shared kai and enjoyed singing together, and used artistic activities to explore the theme.

One morning, we listened to guest speakers who shared their knowledge of “this place” at the Kapiti coast. Some of you may know Chris Gerritsen (Te Atiawa) from the carving group.

Chris is an expert in traditional Maori carving and a tutor at Te Wananga O Raukawa. Chris spoke beautifully about the natural and cultural history of the coast, the sea and the island. Among the many memories of his ancestors he mentioned the wairuatanga of this place, and its connection with the whales, who are also considered ancestors, tupuna, in te ao Māori. Chris described how in centuries past the number of whales that migrated past our coast was so enormous the the vibration of their whale song could be felt by those standing at the beach.

Hēni Collins (Ngati Raukawa) is a researcher and journalist. She joined us with her partner Te Kēnehi Teira (Ngati Raukawa). Hēni is well known to many in our school community, but perhaps not all know that Hēni is also the author of the book *Ka mate! Ka ora! The Spirit of Te Rauparaha*. Hēni spoke about Te Rauparaha’s presence on Kapiti Island, and told some of the stories around events during his lifetime, for example of Kahu-te-rau-o-te-rangi, who is famous for swimming across the moana between Kapiti Island and the coast, with a baby strapped to her back.

We look forward to working with the theme of Whanaungatanga over the year in the context of our special character – Waldorf education, with our children and students, among each other as colleagues, and with you all as our community – watch this space 😊

And on the note of Whanaungatanga once more: an extra treat for us all was the celebration of Te Rā School's 25<sup>th</sup> birthday on 29 January! You would have noticed the photo on the front page of the newsletter. Doris (who doesn't really need an introduction) not only brought us all a birthday cake, but amazingly also provided us with an alumni who had been there, on 29 January 1996, on that first day of the first class: her daughter Tania Zuur, who was visiting from Sweden, with her son Stellan.

## Te Rā School Pānui

Sunflowers galore ... Class 1 and their teacher Katherine have had a lovely first week at school. Their first main lesson is the subject of form drawing, where they explore straight lines and curves, the foundation of all geometry.

At the pōwhiri, we welcomed the Meron whānau with their children Ofri (Class 1), Yoav (Class 3) and Yonatan (Class 5). The Merons have only recently arrived from Israel. Rosa Clafferty has joined Class 6, with her family having arrived back from Qatar. Nau mai haere mai ki Aotearoa!

It's a welcome back, nau mai hoki mai, to the Morgan whānau. Their daughter Indi has joined Class 1, Maya has returned to Class 4. Millie-May McIntyre and Pippa Hewson have now also joined our Class 1 whānau.

We are also very happy to welcome Svenja Donlon, who will be relieving Shelly on Fridays alongside Ryan in the Korimako room. The rest of our wonderful Raumati South team includes Olivia and Rebecca (Ruru room) and Rebecca and Yvette (in our newly named Riroriro room). Lotti remains at Paekākāriki in her Kakariki room and Eija has been working hard to set up her lovely Pihipihi room there too. Tina and Vanessa are working as our Paekākāriki assistants.

This year Tash continues on her role as playgroup facilitator on a Thursday and Friday in Raumati and we are very grateful to Danika who is relieving for us as Paekākāriki playgroup facilitator during term 1.

## Hot (School) Lunches Vacancies

Most of the volunteers who made up the amazing Hot Lunches team that provided us with delicious kai on many Wednesdays last year will not be available to do this mahi again this year. Bonnie Cooper has kindly offered to co-ordinate a new team. If you think you would enjoy supporting the well-being of our tamariki (and that of some of our staff) in this way, or if you want to find out more about what is involved, please let Bonnie know. You can contact Bonnie on 021 027 78765. The team will need cooks as well as servers, and someone happy to clean up. Until this amazing parent initiative is up and running again: **Lunchbox Wednesday** it is!

## Dog Reminder

Dogs, unless other arrangements have been made through the office, must stay at the front of the school and be tied up at the picnic table by the hall if they need to be left unattended for a short time. Please see Kerstin for our "puppy protocol".
