Co-Principal Message

Kia ora e te whānau whānui

Thank you to all who have supported the students, staff and community of Te Rā and Te Rāwhiti over the past few weeks. Ngā mihi nui ki a koutou katoa.

Due to the challenges we have experienced in recent times, several staffing arrangements are still in process. However, we have been working on staffing for 2022 for some time, and there are some things that we are now able to confirm.

People are the lifeblood of any organisation. We are deeply grateful to those colleagues who are moving on at the end of this year, and to those who are taking a break from teaching next year, for their work and contributions – regardless of whether they were a part of our community for many years or only for a short time.

Earlier this term, we accepted the resignations of Nicky Young and Mary Fryer. Nicki has been with Te Rā for 18 years, and her passion for Waldorf education is surpassed only by her love for her students.

Nicki has brought creativity, warmth and a beautiful lightness to everything she has done at Te Rā, and has been loved and appreciated by a generation of students.

Mary, who joined our team in 2020, has brought great integrity to her work and has quickly become a part of the Te Rā whānau. Mary is heading home to Christchurch at the end of this year.

Mary and Nicki are stalwarts of Waldorf education, and both of them will be missed very much by children and colleagues alike!

Elien Hoffmans, our Eurythmy teacher, has decided to take a year off teaching and is hoping to return to a part time role in 2023. We will miss Elien's knowledge and her deep connection to Waldorf education, and we are pleased that she will stay connected to our community in some capacity. Elien may be offering adult eurythmy classes for our community over the next year, so keep eyes out for that!

Sue Pegler, who already took a couple of classes in this subject for parts of this year, will be available to teach Classes 4 to 7 in 2022. We are very thankful to be able to keep offering eurythmy to our students - those of you who have experienced Eurythmy and who know a little more about it will appreciate why!

Another teacher leaving us at the end of the year is Carolyn O'Mahony, who (at very short notice!) stepped into the co-teaching role in Class 4 in term 2 this year. Carolyn has been a positive and enthusiastic member of our teaching team and we are grateful that she was able to support Class 4 with such professionalism over this year. Paul Fletcher will continue full-time with the Class next year.

At present, Aleka is relieving in Class 7 for their last weeks of the year. We are delighted to let you know that Aleka has agreed to take next year's Class 1 - nau mai hoki mai Aleka!

The kindergarten has also had many changes. These are for a myriad of reasons and as with the school, 2022 staffing is still being worked through. We have said goodbye to Ryan McDonald, who with his family will be moving out of the region, hopefully to a property in the Hawkes Bay where he can continue his love of working with soil and plants. Emma Henehan has also finished her fixed-term role of support during kai time in Riro Riro. These two wonderful staff are already missed (although you might see Ryan around in the evenings helping out in the gardens for a little while longer).

Our playgroup structure will likely also change going forward, but we are unable to plan for 2022 yet as the government has not provided any updated guidelines on regulations around licenced playgroups.

We are please to let you know that Jason Grundy has accepted the caretaker position and will start in January 2022 - welcome to the team Jason!

Last, but certainly not least, there is Maxine, whose heart has been beating for Te Rā (and our hockey team) for many, many years! Maxine is the first person that visitors meet when they come to Te Rā,

and she spends her days selflessly looking after the needs of others! We know that Maxine has touched the hearts of hundreds of community members over her time in the role. With her third and youngest child graduating from our school this year, it is time to farewell our amazing receptionist-nurse-coach-counsellor-and-more.

The only constant in life is change. In this time of change, let us remain close - **waiho i te toipoto, kaua i te toiroa!**

Arohanui, nā Kerstin, David & Shelley

Community Message from Maxine

Kia ora koutou

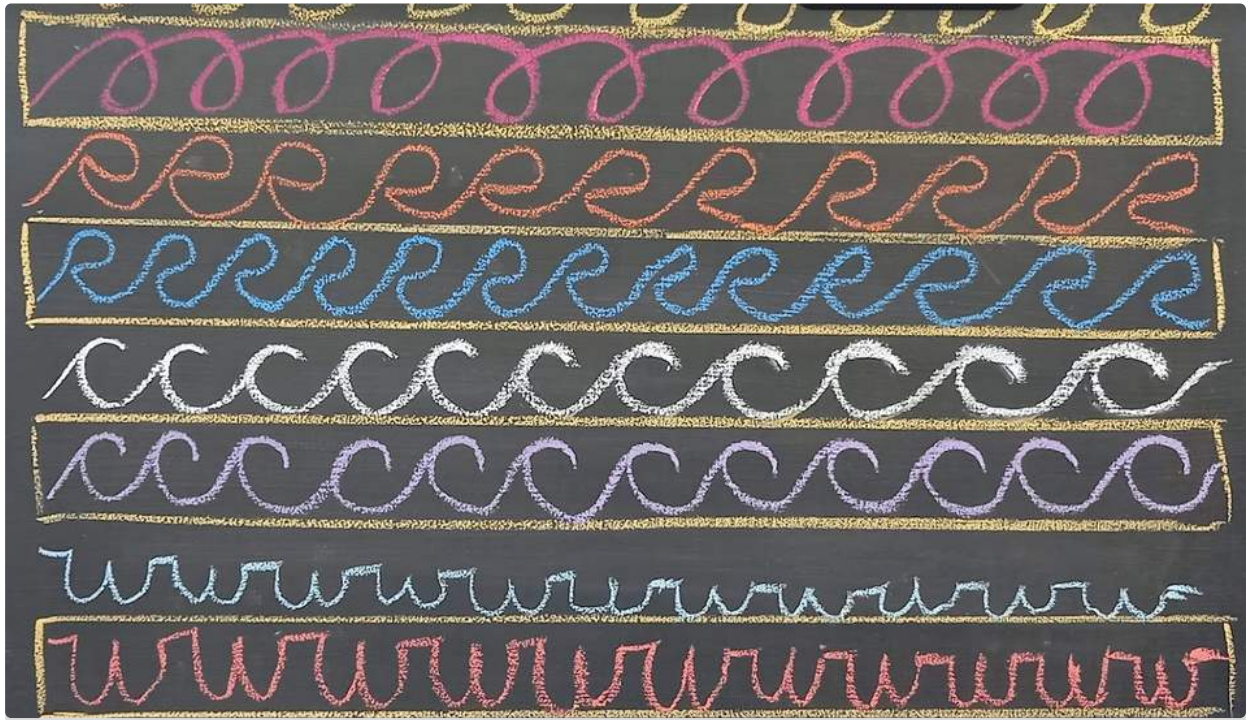

After an involvement with Te Rāwhiti and Te Rā for over 20 years, having seen my three children complete their journey from playgroup to Class 7, and beyond to Raphael House, it has been time for me to decide what to do next.

Many of you know I have been working for NZ Police for many years in various roles, alongside my role at Te Rā. I have now been offered and accepted a fulltime role with them, which is an amazing opportunity for me. To be clear, this decision is not related to Covid or the mandate.

I will miss the community I have been part of, and will treasure beautiful memories. I will greatly miss my daily visits and interactions with the children.

I am not a person for big farewells and the focus at this time of the year is the children and their journey. I will be working locally from time to time and will pop in at some stage in the new year to visit the children and perhaps play some hockey.

So this is my quiet way of saying goodbye. I hope to see you all around in the new year

Message from Nicki

Dear school community

Te Rā has been an important part of my life for the past eighteen years and it was a very difficult decision to leave. I am very grateful for the amazing children I have had the privilege to teach, their loving families, and my supportive, creative and hardworking colleagues – all who have become my whānau over this time.

I know that the connections will remain strong, and with a grandchild on the way and new ventures in my art work just beginning, I have much to look forward to. I am certain that my affection for Te Rā and my teaching friends will see me back visiting school, attending community events and contributing when I can.

Love, Nicki

New Legislation

Many of you will be aware that the government has recently passed more legislation as part of its Covid-19 response. We do not yet know what the traffic light system will mean for us as a school and kindergarten. We can assure you that we will be working to understand this over the next few days and will let you know as soon as we can.

Advent & Christmas Wreath Making

Let's gather and enjoy making something for your whanau's Christmas celebration- be that a traditional advent wreath or a wreath for your home. There are community members available to help if you've not done it before. We also ask if one parent from each class can let their parent liaison know if they can make one for their child's class.

In the School Hall, on the deck and outside on the grass **Saturday 27 November 10am-1pm**. We will have beeswax candles, coloured candles, candle holders and the school shop open with cash or eftpos available.

FOLIAGE NEEDED

This year we are asking for donations of foliage as we have a lot less foliage available to pick at school. Suggestions for foliage/decorations include:

Wintery: Macrocarpa (we need lots of this), Manuka, Rosemary, Bay, Boxwood, Australian natives (eg. Proteas, Leucadendron, Grevillea), Eucalyptus, anything evergreen really, little Pinecones.

Summery: Strawflowers, Pussy Toes, Shells, Sea Grass, Flax, Lavender, Salvia, Sage, Driftwood, Bright coloured ribbons

Also Susan van de Vorstenbosch needs helpers to pass on her knowledge around harvesting flax and the best foliage on the school grounds to collect. Friday 26 Nov between 12-2pm and/or Saturday 27 Nov 8.30-10am (021) 0222 6026

Pledge % Update

Thank you to those who have continued to make pledge contributions during these challenging times.

Our total pledge for 2021 is \$620,000. For budgeting purposes, we have budgeted to have \$515,000 of pledge paid. We do this to ensure that we do not run the Trust to tight and run the risk of not being able to manage our cashflow. We know from previous years that due to changing circumstances, 100% of promised pledge is never met.

At the end of November, the Trust had a target of \$467,000 for collection of pledge. This is to enable us to meet our budgeted target of \$515,000 by the end of the year.

As at 22 November, the pledge total collected is \$ 413,000. This is \$54,000 short of the anticipated amount. This could be caused by a number of reasons. Perhaps balances are in people's kindo accounts or perhaps circumstances have changed for families.

If you have a balance in your Kindo account, we would ask that you apply it against your Special Character Contribution in Kindo. If your circumstances have changed due around your pledge amount, please contact me via email or phone and we can arrange a time to have a conversation.

Many thanks, Rhonda (Executive Officer)

News from the Beehive

It has been a long time since the last update, and the bees are in summer mood. We are coming to the end of the swarming season and the bees are getting ready for the main honey flow, which is from mid-December to the end of January. This means the hives are trying to build up the numbers of bees as much as they can, so that there will be plenty of foragers when everything is in flower. It's all looking good so far.

We have four hives in our school apiary: the trusty old top bar hive, which has made a new queen and is chugging along; the two Langstroth hives, which are our main honey producers; and finally our new addition, the Golden Hive. The Golden Hive is an uncommon type of hive, and is designed with the golden ratio. The frames are large but don't get foundation, so the bees have to make all the wax themselves. This hive has been kindly donated to the school by Joanna, and she and Timo imported it from Germany. Finally we have bees in it, and it will be interesting to follow this hive through the seasons.

Safe Cycling

Kia ora Te Ra Community,

I am very involved with the petition "Protecting Tamariki on Poplar Avenue: Cars Stand Back!" and wanted to see if you could help by adding your name.

Our goal is to reach 1000 signatures to finally effect change (and for me, this is about advocating for cycling more broadly). You can read more and sign the petition here:

<https://chnng.it/C4XSCcrt>

For this important cause I even agreed to extreme measures:

<https://www.stuff.co.nz/environment/climate-news/126581956/kpiti-midwife-who-cycles-to-births-aims-to-deliver-on-cycling-campaign-for-safer-street-crossing>

I will present the petition to Kapiti Council alongside Paul Callister and the Kapiti Cycling Network in November. We are working on a wider strategic plan for cycling, including lobbying for more safe crossings (including a much needed pedestrian crossing for Te Ra students to the car park!).
