

Human Resource Management Policy

Rationale:

At Te Rāwhiti Kindergarten, we recognise that robust personnel policies are fundamental to high standards of professional practice and quality Early Childhood Education. We value our kaiako and recognize them as the most valuable resource to the tamariki in our kindergarten. We therefore ensure good employment practices which lead to the appointment of competent and capable staff who are committed to ongoing professional learning and growth.

This policy will ensure all those working at the kindergarten meet the safety check requirements specified in the Vulnerable Children Act 2014, and that professional standards are maintained in alignment with Our Codes, Our Standards | Ngā Tikanga Matatika, Ngā Paerewa, and Ministry of Education Licensing Criteria: GMA 7, GMA 7A.

Te Whāriki:

Well-being/Mana atua: Tamariki experience an environment where they are kept safe from harm.

Belonging/Mana whenua: Kaiako experience an environment where they know that they have a place.
